4.2. Budgets for salaries and wages, including employer contributions shall be reviewed by the council at least annually in November for the following financial year and the final version shall be evidenced by a hard copy schedule signed by the Clerk and the Chair of the Council.

4.3. No later than December each year, the RFO shall prepare a draft budget with detailed estimates of all receipts and payments for the following financial year, taking account of the lifespan of assets and cost implications of repair or replacement.

4.4. Unspent budgets for completed projects shall not be carried forward to a subsequent year. Unspent funds for partially completed projects may only be carried forward by placing them in an earmarked reserve with the formal approval of the full council.

- 4.5. Each committee (if any) shall review its draft budget and submit any proposed amendments to the council not later than the end of November each year.
- 4.6. The draft budget with any committee proposals, including any recommendations for the use or accumulation of reserves, shall be considered by the council.
- 4.7. Having considered the proposed budget, the council shall determine its council tax requirement by setting a budget. The council shall set a precept for this amount no later than the end of January for the ensuing financial year.
- 4.8. **Any member with council tax unpaid for more than two months is prohibited from voting on the budget or precept by Section 106 of the Local Government Finance Act 1992 and must disclose at the start of the meeting that Section 106 applies to them.**
- 4.9. The RFO shall **issue the precept to the billing authority no later than the end of February** and supply each member with a copy of the agreed annual budget.
- 4.10. The agreed budget provides a basis for monitoring progress during the year by comparing actual spending and income against what was planned.
- 4.11. Any addition to, or withdrawal from, any earmarked reserve shall be agreed by the council.

5. Procurement

5.1. Councillors and officers must always try to get good value for money. When buying goods, services or works, officers should normally compare prices from several suppliers to get the best terms available.

5.2. Before the council buys anything, the RFO must check that the purchase is lawful. For purchases that are new or unusual, the RFO must also make sure the legal power being used is reported to the meeting that authorises the order, and that this is recorded in the minutes.

5.3. Every contract must follow the council's Standing Orders and these Financial Regulations. The only time this can be departed from is in an emergency.

5.4. If a contract is likely to be above the UK procurement thresholds set by Parliament, the council must follow the procurement law that applies at the time. For **new procurements** this is the **Procurement Act 2023** and the related regulations and guidance. Where a procurement was **started under the Public Contracts Regulations 2015**, those rules continue to apply to that procurement and the resulting contract.

5.5. If the estimated value is below the UK procurement thresholds, the council will get prices as set out below (subject to paragraph 5.12)

5.6 For contracts expected to be more than **£60,000 including VAT**, the Clerk must invite formal tenders from at least three suppliers, following Appendix 1.

5.7. For contracts expected to be more than **£30,000 including VAT**, the council must meet the transparency and publication requirements in the procurement rules that apply at the time. Notices must be published on **Find a Tender** (the central digital platform) where required.

5.8. For contracts over **£3,000 excluding VAT**, the Clerk should, where possible, obtain **three written quotations** on a fixed-price basis.

5.9. For contracts between **£500 and £3,000 excluding VAT**, the Clerk should obtain **three estimates**. These can include online prices or recent prices from regular suppliers.

5.10. For smaller purchases, the Clerk should still make sure the council gets value for money.

5.11. The council must not split a contract into smaller parts just to avoid these rules.

5.12. You do not have to obtain competitive prices in the following situations:

- specialist professional services (for example, legal advice for disputes);
- repairs to existing machinery or equipment, or buying parts for them;
- works, goods or services that are an extension of an existing contract;
- goods or services that are only available from one supplier, or that are sold at a fixed price.

5.13. If anyone wants to waive these rules so the council can negotiate without competition, they must provide the council with a written recommendation explaining why. Simply wanting to avoid competition is not an acceptable reason.

5.14. The council does not have to accept the lowest (or any) tender, quotation or estimate.

5.15. Individual purchases that are within an agreed budget can be approved as follows:

- the Clerk, using delegated authority, for items under **£2,000 excluding VAT**;
- the Clerk, after consulting the Chair, for items under **£5,000 excluding VAT**;
- the full council for all items over **£5,000**.

The approval must be supported by minutes or other clear evidence that can be audited.

5.16. No individual councillor, and no informal group, may place an official order or enter into a contract on behalf of the council.

5.17. The council must not approve spending that is above the budget for that type of expenditure unless the council makes a formal decision (except in an emergency).

5.18. If there is a serious risk to council services, or to public safety on council premises, the Clerk and the Chair can authorise emergency spending up to **£5,000 excluding VAT**. This must be reported to the council as soon as possible.

5.19. For any major project, the council must not approve spending, enter into a contract, or accept a tender unless it is satisfied that the money is available. Where required, government borrowing approval must also be in place.

5.20. For any work, goods or services over **£500 excluding VAT**, the council should issue an official order or letter, unless a formal contract will be used or an order would not be appropriate. Copies of orders must be kept, along with evidence that the goods were received or the service/work was provided.

5.21. Any ordering system can be misused, so the Clerk must control who has access to it.

6. Banking and payments
